Making the *Complex*
Comprehensible™

CLASSES ON DEMAND

Receive training for your staff on a topic tailored specifically for you. Classes vary from 2 hours to 2 days, depending on your needs. Group sessions are provided as Place Based Training at your location or ours. Fees begin at \$1000 for a half-day session.

WEBINARS

For shorter session topics, save on staff travel and expenses by training via Webinar. Fees begin at \$500 for a 1½ hour session and accommodate multiple log-in locations.

PERSONAL PROGRAM

Receive one-on-one or small group help with registration, access, submissions and roadblocks encountered along the way. Murphy Consulting's reasonable Fixed Fee Program ranges from \$300 to \$900 depending on scope. We identify your needs, create a plan to reach your goals and assist you with execution and success.

INSTRUCTOR: DENISE MURPHY

Denise Murphy develops national training programs on HUD 2530 Previous Participation Reporting, the LIHTC Application Process, Navigating the HUD Secure System and Overcoming Roadblocks to EIV Access, among others. An engaging educator, all trainings incorporate the company's focus on making the complex comprehensible, by identifying potential problems, troubleshooting solutions and setting appropriate timeline expectations.
