MURPHY CONSULTING

Making the *Complex* Comprehensible™

Attend the training you need at your location, our location or via webinar. Schedule cost-effective group training on topics ranging from HUD 2530 submissions or EIV access to REAC appeals or HUD Flag resolution. Classes vary from 2 hours to 2 days, depending on your needs.

- personalized in-house company trainings
- full day or half day group training sessions
- short-session instruction opportunities
- concentrated content area instruction
- classroom format or lunch and learn sessions

### Personal Program

Receive one-on-one or small group help with registration, access submission and roadblocks encountered along the way. Murphy Consulting's reasonable Fixed Fee Program ranges from \$300 to \$900 depending on length and group size. We identify your needs, create a plan to reach your goals and assist you with execution and success.

### Classes on Demand

Receive training for your staff on a topic area tailored specifically for you. Large group sessions are provided as Place Based Training at your location or ours. Fees begin at \$1000 (plus instructor travel and expenses) for a half-day session.

### Webinar

For shorter session topics, Murphy Consulting can help you save on staff travel and training expenses by training via Webinar. Webinars begin at \$500 for a 1 ½ hour session and can accommodate up to 12 log-in locations.

### Instructor

#### Denise Murphy

An engaging educator, Ms. Murphy has developed national training programs on The LIHTC Application Process, Access to the HUD Secure System, HUD 2530 Previous Participation Reporting and EIV Access, among others. All trainings incorporate the company's focus on making the *complex* comprehensible, by identifying potential problems, troubleshooting solutions and setting appropriate timeline expectations.
