EIV - 5 Easy Steps to Access for Coordinators©

Murphy Consulting provides a live Webinar training on access to EIV.

Training – *the Murphy Consulting Way* – includes:
1. Step-by-step instructions for access to EIV
2. What you need before you begin each step
3. Typical problems encountered along the way
4. Troubleshooting solutions for the HUD Secure System
5. Follow-Up access to the instructor

Training Goals:
1. To understand the multi-tiered process required of Coordinators to gain full working access to EIV
2. To learn the common mistakes that prevent smooth completion of HUD's multi-step EIV access process
3. To be aware of MOR requirements related to approval for EIV access
4. To understand the differences between the process for Coordinators and the process for Users in gaining access to EIV

EIV Coordinator Training Covers:
1. HUD Registration & your WASS ID
2. Specifics of Role Activation
3. EIV Coordinator Access Authorization Form (including common errors and the HUD approval process)
4. Security Awareness Training for EIV Coordinators (and the right answers to the questionnaire)
5. MOR documentation required for Coordinators and Users
6. Specifics of EIV Role Assignments
7. EIV Coordinator Certification & Contract Assignment
8. PLUS: How to get your Users up and running
